This recipe will show you how to bake  
the perfect brownie in your kitchen

Step 1

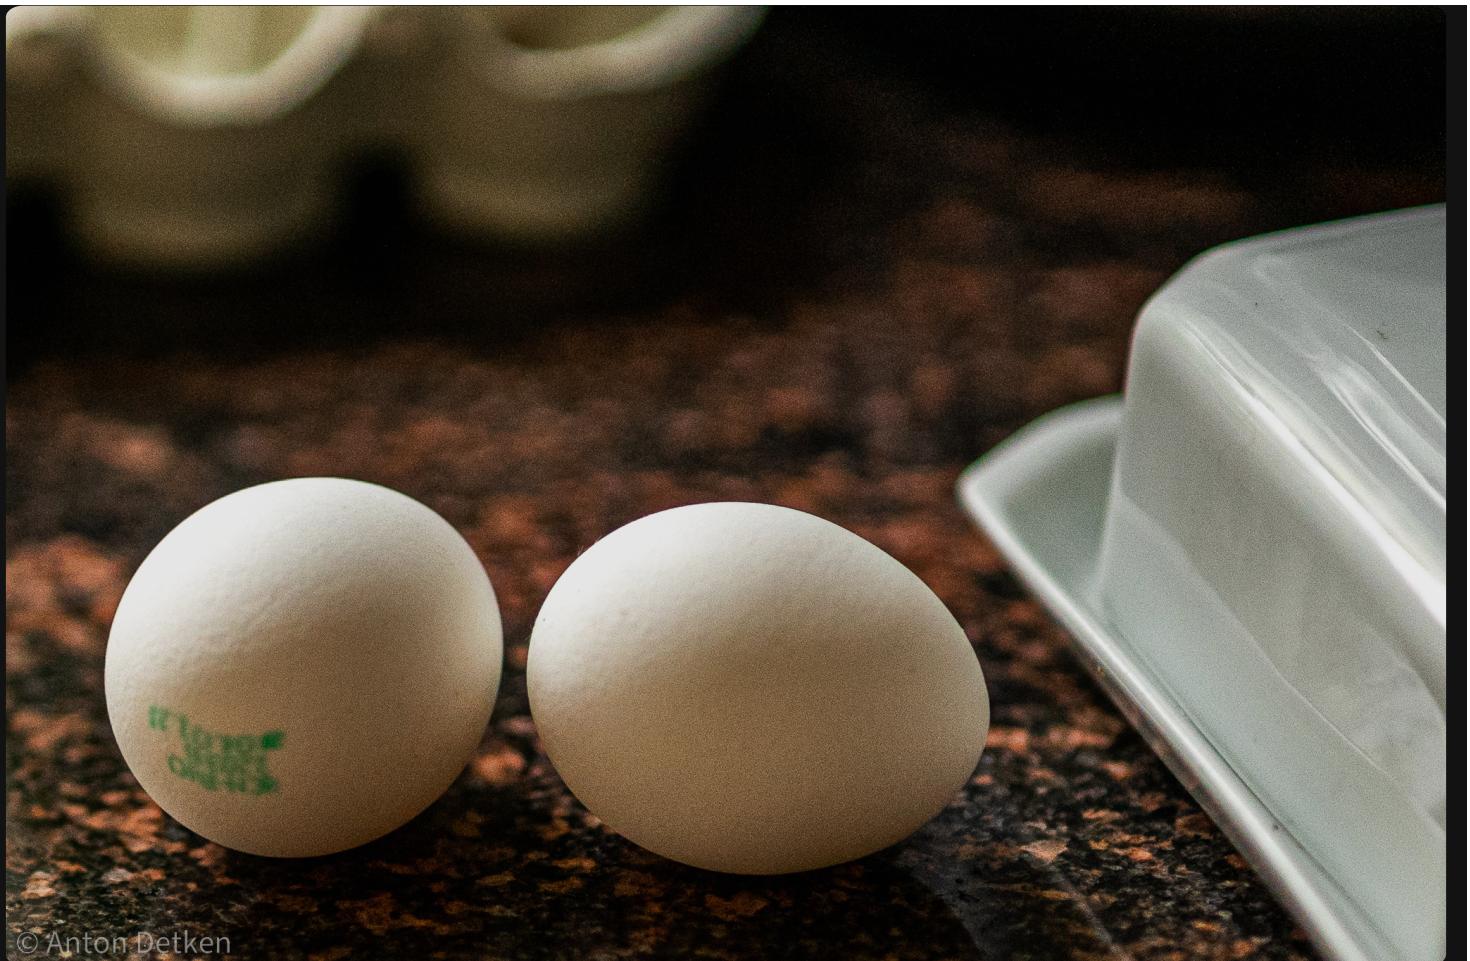

© Anton Detken

For the perfect brownies you will need  
the perfect ingredients! Those are  
listed here:

- 140g Butter
- 200g Dark Chocolate

- 150g Sugar
- 2 Eggs
- 1 ES Cocoa Powder
- 100g Wheat Flour
- 1 CS Vanilla Extract
- Salt

## Step 2

Prepare a baking pan with baking paper. Turn on the oven on  $180^\circ$  top-and bottom heat.

# Step 3

© Anton Detken

Chop the chocolate into small pieces.

# Step 4

© Anton Detken

Add some butter to the chocolate.  
Now you can melt the whole thing in  
the microwave or in hot water.

# Step 5

Stir the melted mass together so it gets one mass.

# Step 6

© Anton Detken

In this next step put the eggs, sugar and a little bit of salt all together in one bowl and stir it together. In the end it should be one white mass.

# Step 7

© Anton Detten

Now you can put it together with the choco-butter mixture together in one

bowl. You can now stir it together and go on with the next step right afterwards.

## Step 8

Add the vanilla extract such as the cocoa powder and the wheat powder to the bowl.

# Step 9

© Anton Detken

Stir all together until its one mixture.  
Now the dough is finished.

# Step 10

Brush the mixture evenly on to the baking pan. Now put it in the oven for 25 minutes.
